

Position Title: Business Intelligence Analyst

Department: Finance Solutions

Supervisor: Enterprise Solutions Architect

Applicants can submit a resume via e-mail to careers@javitscenter.com

The Javits Center has been considered the busiest convention center in the United States, hosting the world's leading conventions, trade shows and special events on Manhattan's West Side. These large-scale events have generated more than \$2 billion in annual economic activity for New York City and New York State, supporting as many as 18,000 jobs in and around the facility. Located on 11th Avenue between West 34th Street and West 40th Street, the iconic structure has played a prominent role in New York's recovery and resurgence, and with a state-of-the-art expansion project recently completed, the venue features more than 850,000 square feet of total exhibition space, two new floors of new meeting room space, a rooftop pavilion and terrace, as well as a range of catering, sustainability, and technology services.
